Re: First Energy Case #10-176-EL-ATA

Dear Commissioners:

As an "all electric" customer of First Energy, the recent loss of my discount causes me great concern. I urge you to find a resolution that will be more affordable than the current offer set forth by First Energy. I also ask that you consider First Energy offer the new proposed discount retroactively, as opposed to prospectively.

Thank you for your understanding ~~and~~ and support.

Sincerely,

David Clark
