Public Utilities Commission of Ohio
Attention Case No. 14-0841-EL-SSO

I care about this issue because it is important to me to have clean air to breathe.

I want to reduce air pollution, save money on my electric bill and urge our utilities to provide cleaner energy sources for our electricity.

My family and I care about reducing toxic pollution and saving money on our electric bills.

This bailout would cause our rates to go, no matter who be buy our electric from.

We don't want to pay Duke to continue polluting our air.

We need Duke to be accountable to their customers, not their shareholders
