I am writing this letter with large concerns as a new owner living at the Columbia Park Mfg Home Developement! Me & My Husband are on SS Checks and barely making it now. Try and live on an income of less than $1400.00 when every bill you get hasn't remained the same since we moved in 4/30/10.

We currently have our heat on during the day at 65° + at night 60°. and are still getting a $120.00 Electric Bill. When we moved in, the office increased our lot fee from $402 a mo to 435.50. I just received our Cox Cable Bill & it increased from $37.00 to $50.00. Add Telephone, Water + Sewer, Life, Car + Health Ins, Gas for Car, Dr Bills + Prescrip, + Chg Cards, we wonder if we did the right thing in moving into this developement.

So please reconsider keeping the electric discount going or many of us who are on fixed incomes will have no choice but sell + move!

It certainly is a world where what is said in the beginning - certainly doesn't stand true at the end!

Sincerely,
Joseph + MaryAnn Paletta
