Notes:

I am writing to express my extreme displease at the possibility that those citizens in Butler County will be called upon to help pay for the Cincinnati Streetcar by a very substantial increase in electric/gas rates. Butler county citzens were not given the opportunity to vote on the Streetcar matter, therefore, should be under no legal obligation to help pay for this matter. I am on disability and the increase would very much hinder my ability to pay for my monthly groceries and medications. If allowed to pass this would be another case of taxation without representation that our forefathers fought against many years ago. Stop this in it's tracks now!!
