Subject: I support Emerson Creek Wind!

Dear Docket Submission OPSB,

As an Ohioan, I want to encourage you to award a permit to the Emerson Creek Wind project (Docket No. 18-1607-EL-BGN, Emerson Creek).

Wind energy projects like Emerson Creek Wind are an important part of the future of Ohio's economy. Ohio manufacturing already supplies many of the components for wind projects in other states and it's high time we invested these components into projects in our own state.

The economic, community, infrastructure, and health benefits that this project would bring to Northern Ohio are hardly debatable. Support clean, reliable, and affordable energy that will spur economic development across Ohio. Support Emerson Creek Wind.

Regards,
Kate McClelland
