1.1 Undertaking of the Company

- A. The Company undertakes to provide the services in this tariff on the terms and conditions and at the rates and charges set forth herein. The services in this tariff are provided on a resale basis. Ameritech Ohio is the underlying incumbent local exchange carrier.
- B. The Company is responsible under this tariff only for the services provided herein, and it assumes no responsibility for any service provided by any other entity, not including agents of the Company. Customers may use services provided under this tariff to obtain access to services offered by other service providers. However, this does not permit the Company to offer any services it purchased from Ameritech Ohio on a resale basis for resale to other carriers.
- C. The Company will provide a toll-free number giving Customers access to service personnel 24 hours per day, 7 days per week.
- D. The Company will comply with any applicable quality of service requirements according to Ohio laws and rules.

1.2 Terms and Conditions

Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff. At the expiration of the initial terms specified in each service order, or in any extension thereof, service shall continue on a-month to month basis at the then current tariffed, month to month rates, unless terminated by the Customer. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this tariff prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service order shall survive such termination.
- C. This tariff shall be interpreted and governed by the laws of the State of Ohio without regard for the State's choice of laws provisions.
- D. Another telephone company must not interfere with the right of any person or entity to obtain service directly from the Company.
- E. The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.

The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business. Nothing in this provision shall be construed to be inconsistent with number portability requirements.

1. Local Exchange Service Regulations (cont'd)

Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventive maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service-affecting activities. The Company will work cooperatively with the Customer to determine reasonable notification requirements. With some emergency or unplanned service affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

- B. The Company shall use reasonable efforts to maintain the services that it furnishes to the Customer. The Customer may not rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the services provided by the Company, except upon the written consent of the Company. The Customer may not permit others to rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the services provided by the Company, except upon the written consent of the Company.
- C. The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of facilities the Company may obtain from other carriers to furnish service as required at the sole discretion of the Company.

Where such equipment is connected to the services furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of services offered under this tariff and to the maintenance and operation of such services. Beyond this responsibility, the Company shall not be responsible for:

- (iii) network control signaling where such signaling is performed by Customer provided network control signaling equipment.

F. At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours, but at the Customer's request extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

1.5 Liability of the Company

- A The liability of the Company for damages arising out of the furnishing of its services, including but not limited to mistakes, omissions, interruptions, delays or errors, other defects, or representations by the Company, or use of these services or damages arising out of the failure to furnish the service whether caused by acts or omission, shall be limited to the extension of allowances for interruption as set forth below. The extension of such allowances for interruption shall be the sole remedy of the Customer and the sole liability of the Company. The Company will not be liable for any direct, indirect, incidental, special, consequential, exemplary or punitive damages to Customer as a result of any Company service, equipment or facilities, or the acts or omissions or negligence of the Company's employees or agents. The limitation of liability contained herein will be in compliance with the Commission's Minimum Telephone Services Standards and the Service Requirements Form.
- B The Company's liability for willful misconduct, if established as a result of judicial or administrative proceedings, is not limited by this tariff. With respect to any other claim or suit, by a Customer or by any others, for damages associated with the ordering (including the reservation of any specific number for use with a service), installation (including delays thereof), provision, termination, maintenance, repair, interruption or restoration of any service offered under this tariff, and subject to the provisions of Section 1.7.2, the Company's liability, if any, shall be limited as provided herein. The limitation of liability contained herein will be in compliance with the Commission's Minimum Telephone Services Standards and the Service Requirements Form.

 - (iv) all other claims arising out of any act or omission of others in the course of using services provided pursuant to this tariff.
- D. The Company shall not be liable for the Customer's failure to fulfill its obligations to take all necessary steps including, without limitation, obtaining, installing and maintaining all necessary equipment, materials and supplies for interconnecting the terminal equipment or communications system of the Customer, or any third party acting as its agent, to the Company's exchange access lines. If the Customer or its agent fails to maintain and operate its equipment and/or system or that of its agent properly, with resulting imminent harm to Company personnel, or the quality of service to other Customers, the Company may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, the company may, upon written notice, terminate the Customer's service without liability.

1. Local Exchange Service Regulations (cont'd)

1.5 Liability of the Company

- F . Approval of limitation of liability language by the PUCO does not constitute a determination by the Commission that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of the exculpatory clause.

1.5.1 With Respect to Emergency Number 91 I Service

- A This service is offered solely as an aid in handling assistance calls in connection with fire, police and other emergencies. The company is not responsible for any losses, claims, demands, suits or any liability whatsoever, whether suffered, made, instituted or asserted by the Customer or by any other party or person for any personal injury to or death of any person or persons and for any loss, damage or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused by: (1) mistakes, omissions, interruptions, delays, errors or defects in the provision of this service, or (2) installation, operation, failure to operate, maintenance, removal, presence, condition, location, or use of any equipment and facilities furnishing this service.

1. Local Exchange Service Regulations (cont'd)

In the absence of gross negligence or willful misconduct, and except for any allowances stated below, no liability for damages arising from errors or mistakes in or omissions of any directory listings, or errors or mistakes in or omissions of listings obtainable from the directory assistance operator, including errors in the reporting thereof, shall attach to the Company.
- B. An allowance for errors or mistakes in or omissions of any published directory listings or for errors or mistakes in or omissions of listings obtainable from the directory assistance operator shall be given as follows:
 - (i) Free Listings: For free or non-charged published directory listings credit shall be given at the rate of three (3) times the monthly local service charge for an additional or charge listing affected for the life of the directory or the charge period during which the error, mistake or omission occurs.

1. Local Exchange Service Regulations (cont'd)

1.5.2 With Respect to Directory Listings (cont'd)

(iii) Operator Records: For free or charge listings obtainable from records used by the directory assistance operator, upon notification to the Company of the error, mistake or omission in such records by the subscriber, the corrected information shall be placed in the files of directory assistance and intercept operators within two business days of discovery.

(iv) Definitions: As used in paragraphs (i), (ii) and (iii) above, the terms "error," "mistake," or "omission" shall refer to a discrepancy in the directory listing or directory assistance records which the Company has failed to correct and where the error affects the ability to locate a particular subscriber's correct telephone number. The terms shall refer to addresses only to the extent that an error, mistake or omission of an address places the subscriber on a street or community different from the one provided to the Company.

(v) Notice: Such allowances or credits as specified in paragraphs (i) and (ii) above, shall be given notice to the Company by the subscriber that such error, mistake or omission has occurred; provided, however, that when it was administratively feasible for the Company to have knowledge of such error, mistake or omission, the Company shall give credit without the requirement of notification by the subscribers.

- A. The Customer is responsible for payment of all charges for services furnished by the Company to the Customer or its Authorized Users. Objections must be received by the Company within a reasonable period of time after receipt of bill, or all the charges shall be deemed correct and binding upon the Customer. If an entity other than the Company imposes charges of the Company, in addition to its own internal costs, in connection with a service for which a Company non-recurring charge is specified, those charges may be passed on to the Customer.

1.9.1 Taxes

These charges may appear as separate line items on the customer's bill, as opposed to be included in the rates contained in the tariff. Any such line item charges will be reflected in the company's tariff. The company shall not assess separately any fees or surcharges, other than government approved sales taxes, without seeking Commission approval under the appropriate procedures required by the Commission in Case No. 95-845-TP-COI. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation.
- B. The deposit will not exceed an amount equal to two month's average monthly bill for all regulated local exchange services for ensuing twelve months, plus thirty percent (30%) of estimated monthly charges.
- C. - D. Reestablishment of credit: An applicant for service who previously has been a customer of the utility and whose service was discontinued because of nonpayment of his bills may be required to pay such bill together with the reconnection charge, and to reestablish his credit by depositing the amount prescribed in Section 1.9.2.

- E. A late payment charge of 1.5% is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late charges are to be applied without discrimination.
- F. A minimum charge of \$10 and a maximum charge of \$25 will be assessed for checks with insufficient funds or non-existing accounts. The Company may waive the bad check charge under appropriate circumstances.

1.9 Payment Arrangements (cont'd)

1.9.6 Disputed Bills

- A. The Customer shall notify the Company of any disputed items on a bill within a reasonable period of time after receipt of the bill. If the Customer and the Company are unable to resolve the dispute to their mutual satisfaction, the Customer may file a complaint with the Commission in accordance with the Commission's rules of procedure.
- B. The date of the dispute shall be the date the Company receives sufficient documentation to enable it to investigate the dispute.

Residential Notice

Beginning on October 7, 2011 the prices, service descriptions, and the terms and conditions for services other than local flat rate service that you are provided by Advanced Integrated Technologies, Inc. ("AIT") will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms or conditions of those services to which you currently subscribe. AIT must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a guidebook online at www.aitech.net or you can request a copy of this information by contacting AIT at 1-800-829-5511.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call AIT at 1-800-829-5511, or visit us at www.aitech.net.
