

Case Number:
11-4742-EL-REN

Name of Renewable Generating Facility:
SoCore Solar - Walgreens (07900S - Mount Washington, OH)

Facility Location:
2203 Beechmont Ave Mount Washington, OH 45230

Amendments to online Application E-File

- O. Reporting Start Date
 - Since the facility will have a meter that can be monitored remotely, the start date can correspond with the date when the meter starts measuring power output.
