Re: PUCO Case No. 19-398-EL-BNR / Duke Energy Ohio, Inc., F7481– 138kV
Blue Ash Road Improvement Project

Dear Ms. Troupe:

Duke Energy Ohio, Inc. (the Company), filed its Pre-filing Notice in this proceeding on February 8, 2019. Together with this letter, the Company is now filing its Construction Notice.

One detail in the Pre-filing Notice should be corrected. The Pre-filing Notice stated that 15 138-kV wood structures will be replaced with steel structures. The Construction Notice filed today correctly indicates that 17 (rather than 15) 138-kV wood structures will be replaced with steel structures. Additionally, 3 other steel structures will be installed as “stub” poles to help with structural integrity. Should you have any questions please feel free to contact me.

Respectfully submitted,

/s/ Jeanne W. Kingery
