Importance: High

Hi Steve:

This follows our recent conversation.

As I advised, and in light of a breakdown at the vendor's facility resulting in a delay in material production/delivery, we intend to ask the PUCO to grant us an additional extension of time of thirty days – so through September 5 – for NS to complete the surface installation at the Maple Street crossing, and for the City to effectuate the physical closure of the West First Street crossing.

As we'd discussed, please shoot me a quick reply confirming that the City is fine with this.

Call me, of course, if we need to discuss.

Thanks Steve, much-appreciated.

p.s.

I have attached a working copy of our proposed consent request.
