Re: PUCO Case No. 15-0094-GA-BLN, Duke Energy Ohio's Miami Fort Generating Station
Gas Pipeline Project

Dear Docketing:

On February 5, 2015, Duke Energy Ohio filed a Letter of Notification in the above referenced case. It has since been determined that the maps included as Figures 1 and 2 were not printed to scale and therefore missing information. Please find enclosed a copy of the updated maps for Figures 1 and 2 to replace the original filing.

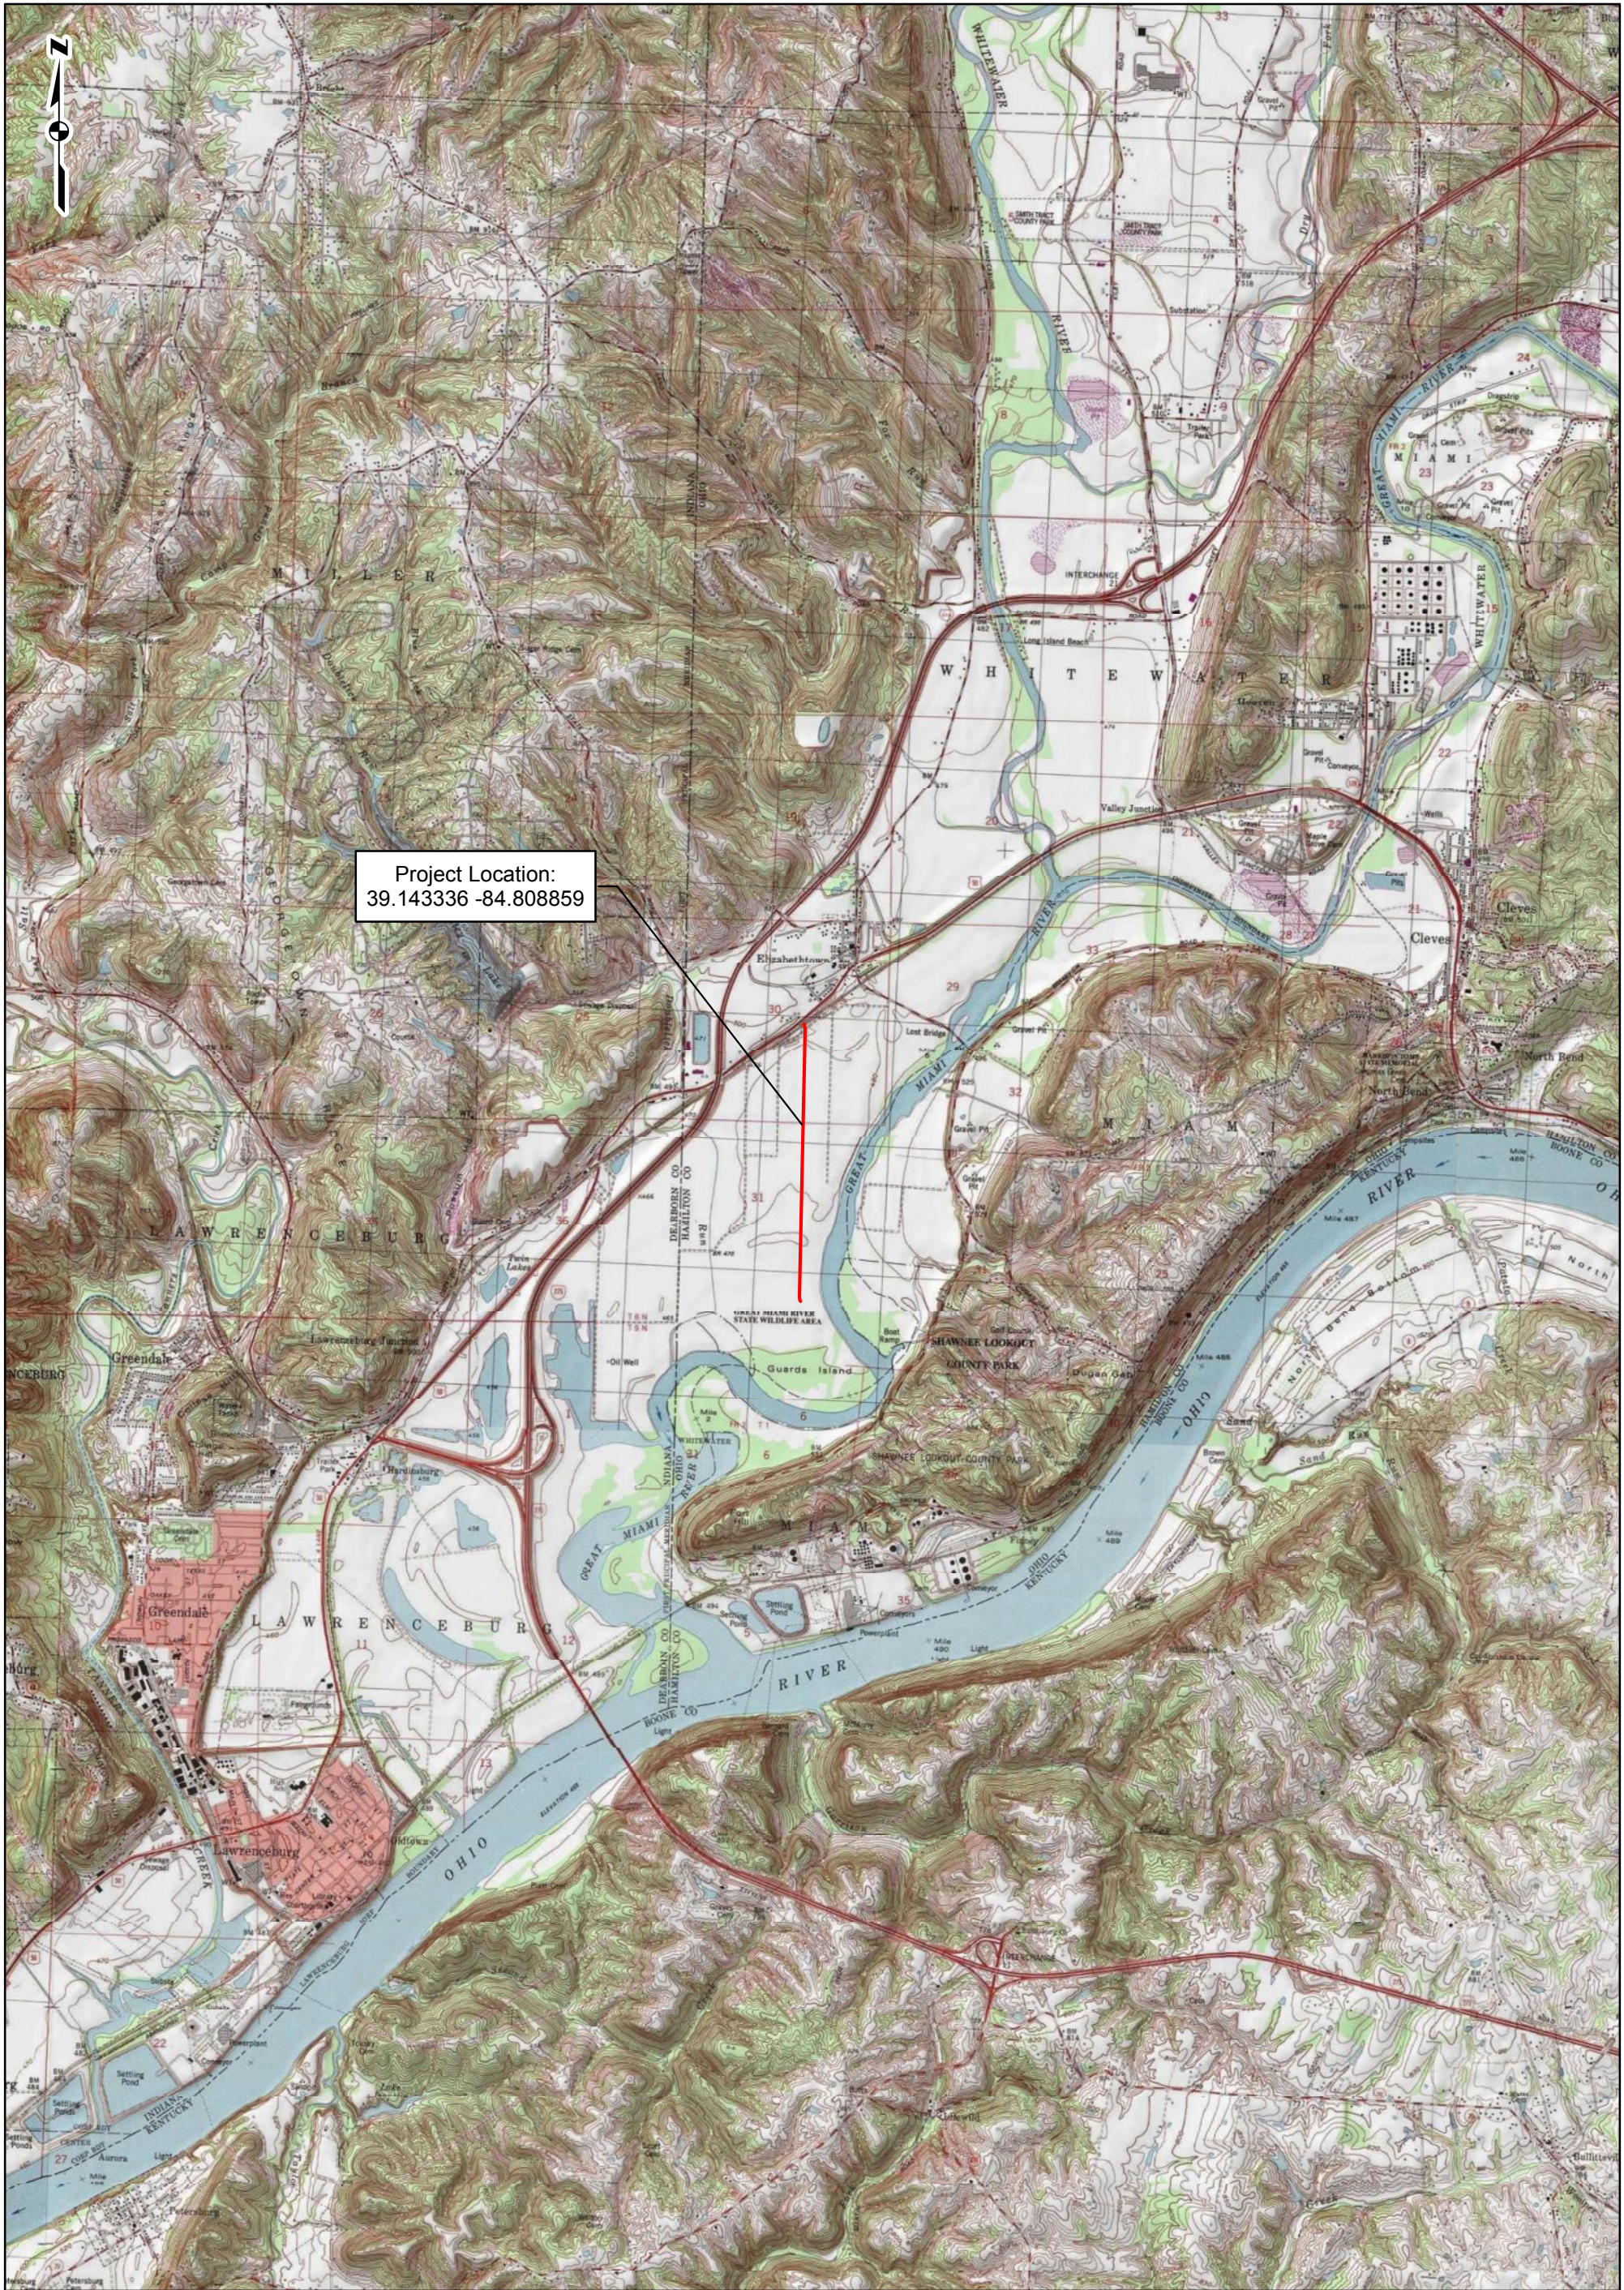

Should you have any questions, please contact me.

Respectfully submitted,

Jeanne W. Kingery
Associate General Counsel
