THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Lucas)
County for Certification as a Governmental) Case No. 00-2027-EL-GAG
Aggregator.)

ENTRY

The attorney examiner finds:

- (1) On January 4, 2005, the Commission issued Certificate No. 00-028 to Lucas County (Lucas) to provide governmental aggregator electric service. The expiration date for Certificate 00-028 is December 24, 2006.
- (2) On December 7, 2006, Lucas filed a motion for an extension of the expiration date of its existing certificate. In its motion, Lucas stated that, as a result of an inadvertent oversight, it failed to file its renewal application within the time frame set forth in Rule 4901:1-27-09(A), Ohio Administrative Code. Lucas notes that there have been no material changes in its application and it requests that, in order to continue providing service to its customers, that the expiration date of its certificate be extended while the Commission reviews its renewal application.
- (3) The examiner believes that an extension of the expiration date of Certificate No. 00-028 to January 13, 2007, is warranted so that Lucas's customers will not be adversely affected while its renewal application is under consideration.

It is, therefore,

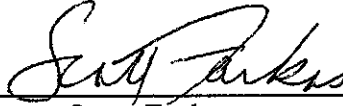

ORDERED, That Lucas's motion for an extension of the certificate expiration date be granted. It is, further

ORDERED, That the December 24, 2006 expiration date of Certificate No. 00-028 be extended to January 13, 2007. It is, further,

This is to certify that the images appearing are an
