3.7.5 Bundled Service Option, (cont'd.)

C. One Year Term Option

The Customer has the option to commit to a one year term for the service. This option is only available when Customer agrees to a one year term on the qualifying services provided by affiliates of the Company.

The one-year term option shall be available to Customers on a per line basis and is not required to be co-terminus among all of the Customer's lines. At the end of the one year term or any subsequent renewal, the agreement will automatically be renewed for an additional one year term on the same terms and conditions, unless either party provides advance notice that it does not wish to renew the term. The Customer shall have sixty days prior to the end of the initial term or subsequent renewal to cancel such term option without the imposition of termination charges. Pricing will remain the same during any renewal unless Verizon has provided 30 days notice of any change.
