RECEIVED-DOCKET

PUCCO

To whom it may Concern

Not being able to attend meeting at Pleasant Oak High School in Stark County, due to hospital stay,

was disappointed only 23 people attended. I know there are many more people, like myself, who have to discontinue which vehicle to pay off & which one to pay on and if I need milk or bread more this week.

I realize I 2.30 more money doesn't seem like much but consider being on limited income and other prices it hurts us older people. Matter of fact my sister younger than myself, didn't have gas money to come visit me in hospital probably why she wasn't at meeting as she has to work out that way.

Please think twice about this and then consider a short time.

Thank you for your time

Sincerely
Julia A. King
