This will provide you, the customer, convenience of service without the customary credit check or deposit. You will also be able to choose from Budget Phone's premium packages, all of which now include domestic local and long distance! As a courtesy, we have included a brief recap of some of the benefits and restrictions of our calling plans.

Local and Long Distance – Each of Budget Phone's local calling plans now include some amount of domestic long distance service at no extra charge. For specific terms and conditions of your calling plan, please refer to the materials provided to you by your local agent as well as the attached list of Budget Phone Plans. In addition, many packages offer the option to receive an additional 250 minutes of long distance FREE for the first two months. After 2 months, you are under no obligation to continue this service and can cancel at any time. The customer has the option to continue to receive 250 minutes of interexchange intrastate long distance usage for an additional charge of \$5.00 per billing cycle, simply visit your local authorized Budget Phone agent or call Budget Phone's customer service department at (888) 424-5588. Late Payments – Due dates are clearly indicated on each billing statement. Accounts not paid by their due date will be assessed a late payment fee of \$6.00 or 1.5% of any amounts owed to the company, whichever is greater.

Detailed Billing – Detailed billing of your long distance usage will be included, free of charge, with your monthly billing statement. If you requested that detailed billing not be included with your monthly statement when you placed your request for service, you may request a copy at a later date by contacting your local authorized Budget Phone agent or by calling Budget Phone's Customer Service Center at (888) 424-5588.
