Re: Robert Penno

Docketing Case No.:05-1444-GA-UNC

RECEIVED-DOCKETING DIV  
2006 APR 26 PM 12:08  
PUCO

I found no information regarding the proposed Vectren rate hike to "educate consumers".  
On a separate note, I find this idea to be offensive at best. There is no justification for raising gas prices to the consumer, so that Vectren can better inform consumers how not to use their product. That role is justifiably in PUCO's sphere, but not in Vectren's.
