Before switching my long-distance telephone service to "PRIMO", I had talked to its employee (telephone extention 1119) and had been told that my switching fee charged by my local telephone company, namely "atot", would be credited to my account. I sent a photo-copy of my atot statement to "PRIMO" in June of 2006 in an ordinary letter and later on via facsimile as well.

A month and a half later on I was told by "PRIMO" that they got neither! Furthermore, I was told that I would never get a \$5.00 credit for switching fee because my PIC code 0444 had not been changed as my long-distance telephone service had been transferred from NET which had the same PIC code as "PRIMO". I was also told that I was wrongly charged by atet, my local telephone company, that I was to ask atet for a \$5.00 credit etc., et al.

In my first billing statement by "PRIMO" in June of 2006 I was charged for 5 2-minute UNCONNECTED telephone calls. I surely disputed charges. I was told by "PRIMO" that those 5 2-minute telephone calls had been connected, that I had lied because I did not want to pay for them.

I left a telephone message to "Primo" a few days ago. I haven't heard from you yet.

Anyway, I am a new customer of yours. On my first bill there are 5 two-minute registered phone calls to Serbia. Actually, I never got through.

The matter of the fact is that the telephone over there rang more than 10 times but there was not a connection and I do not think that I ought to be charged for those units (10 minutes).

I look forward to hearing from you shortly !

#### Dear Miss Hamilton,

Thank you for helping me to reestablish my long-distance service with "Primo Communications".

When I first address you, perhaps two months ago, the "Primo" manager told YOU and me that the reimbursement of \$5.00 would be issued to me.

"at&t", my local phone company, charged me \$5.00 for switching my long-distance service to "Primo", which is a reseller of "Global Crossing".

Why, later on when I spoke to the same person at "Primo" (877) 879-3133, he said to me that he had changed his mind.

I wish that you talked to him again and reminded him to reimburse me with a cheque. If it is necessary to have got a three-way telephone conversation, I shall be at home after 4 o'clock in the afternoon (any week day). My phone number is: (216)252-8034.

Thanking you,

M. Miljkovic

(att. Linda)

Dear Miss Hamilton, message

A short while ago. I got a telephone from you. You said that "Primo" had given

me a \$10.00 credit back in August.

In fact, my long-distance service was disconnected in August after a 3-way telephone conversation (you, a "Primo" manager and I). I have never got a \$ 10.00 credit from "Primo" (See the latest statement.).

I still cannot understand why "Primo" keeps lying to a PUCO employee.

Yours sincerely, M. Muskobut
