USE OF SERVICE AND FACILITIES (Continued)

G. INJURIOUS USE OF SERVICE

If the service of another customer or the manner of use of a service or facility affects injuriously the efficiency of the general telephone system or circuit, the Telephone Company may deny service to the offending subscriber until arrangements can be made to discontinue the injurious use of the facility.

H. TERMINATION OR RE-ORIGINATION OF CALLS RECEIVED OVER A DATA SERVICE

Other than for incidental usage, use of basic local service for the purpose of originating calls on behalf of a third party is an inappropriate use of service. Basic residential local service used for such purposes will be reclassified as a business class of service, at monthly rates shown in Tariff #2, Section 5, Sheet 5. Basic business local service used for such purposes will be reclassified as a Feature Group A access arrangement and appropriate access charges will apply as described in Tariff #3, Access Services. Customers will be contacted and informed of the Company's findings and of the potential reclassification of customer's access line(s), be given the opportunity to dispute the Company's conclusion, or take corrective measures before the reclassification takes place.

EXPLANATION OF THE CHANGE

Frontier Communications of Michigan, Inc. is introducing this tariff provision to ensure what would otherwise be phantom traffic on our network will be appropriately rated and billed if a line is used to terminate or re-originate traffic that was received from a data service.
