A. General Description

The Visa Calling Card Plan is available to college students when signing up for a Carrier Visa credit card. This plan allows Customers to originate outbound, direct dial long distance calls via a toll free number. Customers will be charged a time-of-day sensitive per minute rate for each call originating and terminating within the conterminous United States, Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands and Guam. International calls will be rated at International Message Telecommunications Service rates. A connection fee will be assessed at the beginning of all completed calls. In addition, a payphone surcharge will be assessed, where applicable, on all calls made from a public payphone including each pound (#) re-origination completed call. By pressing the pound (#) key, Customer is able to terminate one call while remaining connected to the calling card platform in order to originate additional calls without redialing the toll free number. Conversation minutes, reflecting usage sensitive charges, are billed in increments of one minute following the initial minimum billing period of one minute. Charges are rounded to the next higher minute for billing purposes. Carrier will bill the calling card charges to Carrier Visa credit card or, as an option, to any other credit card that is acceptable to Carrier. The monthly statement notice will be delivered via email, and Customers may access their account detail online at www.verizonvisa.com. Peak calling times are Monday - Friday 9:00 AM to 9:00 PM. Off-peak calling times are Monday - Friday 9:00 PM to 9:00 AM and all weekend.

Rates are found in Section 4.2.17.
