CASE NO. 07-267-EL-CSS

ANSWER OF RESPONDENT, THE
DAYTON POWER AND LIGHT
COMPANY, MOTION TO DISMISS
AND REQUEST FOR MEDIATION

Now comes Respondent, The Dayton Power and Light Company ("DP&L"), through counsel, and states as follows:

1. On or about March 8, 2007 The Public Utilities Commission of Ohio (the "Commission") accepted for filing a Complaint by Complainant alleging generally that DP&L improperly charged Complainant a higher fee for his utility service and also improperly charged Complainant a higher fee for utility service he has on a second property.
2. The Respondent, The Dayton Power and Light Company, denies or is without knowledge of the truthfulness of every allegation of wrongdoing stated in Complainant's Complaint and states generally for its Answer that all of its actions set forth in the Complainant's Complaint were performed in accordance with all applicable state statutes, regulations and approved tariffs.
3. Respondent further moves the Commission to dismiss this Complaint or, in the alternative, Respondent requests the opportunity to mediate this Complaint with Complainant to determine whether a mutually acceptable resolution is possible.

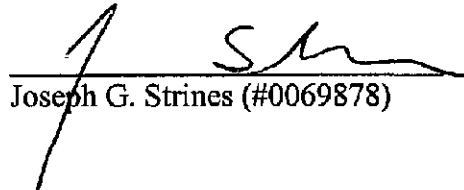

Respectfully submitted,
