**ANSWER AND MOTION TO DISMISS OF
OHIO EDISON COMPANY**

Comes now Respondent, Ohio Edison Company, by counsel, and for its Answer to the Complaint filed in the instant action says that:

1. The Ohio Edison Company ("Ohio Edison") is a public utility, as defined by §4905.03(A)(4), O.R.C. and is duly organized and existing under the laws of the State of Ohio.

2. While the Formal Complaint Form filed by the Complainant includes a number of attachments, including photographs, a real property deed, a plat record, a series of letters to and from various parties, and newspaper articles, there are no specific allegations set forth in the text of the Complaint. It appears from the attachments that the Complaint relates to Ohio Edison's vegetation management work. Ohio Edison admits to performing vegetation management work in its utility right of way across the Complainant's property in February 2007. Ohio Edison denies any allegations set forth in the Complaint and avers that its vegetation management work was performed consistent with all legal rules and regulations and company policies.

3. Ohio Edison generally denies all allegations set forth in the Complaint that were not otherwise specifically addressed hereinabove.

For its affirmative defenses, the Company further avers that:

4. Ohio Edison has at all times acted in accordance with its Tariff, PUCO No. 11, on file with the Public Utilities Commission of Ohio, as well as all rules and regulations as promulgated by the Public Utilities Commission of Ohio, the laws existing in the State of Ohio, and accepted standards and practices in the electric utility industry, and Ohio Edison denies that its practices or services are unjust or unreasonable.

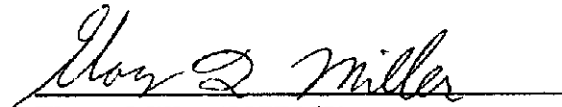

For its Motion to Dismiss, the Company states:

5. Ohio Edison breached no legal duty owed to Complainant, and Complainant failed to state reasonable grounds upon which relief may be granted.

6. Complainant has not identified any Commission rule or regulation that it believes Ohio Edison has violated.

WHEREFORE, having fully answered the Complaint, Respondent, Ohio Edison Company, respectfully requests that the instant action be dismissed, and that it be granted any other relief that this Commission may deem just and reasonable.

Respectfully submitted,
