Please describe your complaint. (Attach additional sheets if necessary)

My Complaint with the utility Company is that there is NO reasonable nor logical explanation why they allowed the service at 2170 N. Gettysburg Ave in Dayton, OH. to remain on for over a year and not collect a cent. Then decide after the account totals \$5,500. to then seek retrobution. especially after attempting to disconnect the service on a bussiness day about a \$400.00 delinquent Bill. The bussiness has been closed since February of 06

The billing process that Dayton Power & Light is applying is unjustifiable and beyond reason. I would like your assistance in making the big bully to play fair. I understand if there was an unpaid balance due plus interest but this is truly out of control.
