Re: Case No. 07-416-TP-ATA, Application to Establish an N11 Tariff Including 8-1-1.

Dear Ms. Jenkins:

Attached are the original and 10 copies of a revised page to replace sheet 2 in Section 15 of Exhibit B of the above filing.

As recommended by the Staff (Karen Kalmar), The Champaign Telephone Company has inserted wording at the end of the second paragraph to indicate there is not a rate being charged for the N11 service.

Please docket this sheet. Should you have any questions, please call me at 937-653-2263. Thank you for your assistance.

Sincerely,

Timothy J. Carney
 Director of Finance

N11 ABBREVIATED DIALING CODES

15.2 Terms and Conditions

(N)

The Company will provide only the delivery of the calls. The entity that has been granted authorization to use the N11 abbreviated dialing code will be responsible for providing any announcements and services to the callers.

Directory listings may be provided for N11 services under the terms, conditions, and rates specified in Section 3 of this tariff. (Presently, there is no charge for this service)

The N11 subscriber is restricted from selling or transferring the N11 code to an unaffiliated entity, either directly or indirectly.

Calls to the N11 code that translate to a disconnected number will be routed to intercept for a maximum of 60 days when the N11 provider is a Company subscriber.

Disputes regarding geographic coverage by two or more N11 subscribers will be referred to The Public Utilities Commission of Ohio.

Only a single seven or ten-digit local number or a single ten-digit toll free number may be used as the point-to-point number.

The N11 subscriber should work separately with cellular or wireless companies to ascertain whether cellular or wireless customers will be able to reach referral services provided by dialing N11.
