RE: Embarq Communications, Inc. Case Nos. 07-524-TP-ZTA 90-6335-CT-TRF

Dear Ms. Jenkins:

Enclosed for filing is the original of revisions to Embarq Communications, Inc. Interexchange Telecommunications Services Tariff P.U.C.O. No. 1. This filing should be processed as a zero-day filing, to become effective May 1, 2007.

The following revisions are enclosed:

Section 6 4th Revised Page 6

3rd Revised Page 7

This filing introduces a 10,000 minutes of use block of time option to Block of Time for Small Business. Currently, the Block of Time for Small Business tariff presents certain blocks of time with bifurcated interstate/intrastate monthly recurring charges. The customer is billed for these charges as a single line item on the bill, therefore, for ease of reference, this filing changes the presentation of the tariff to show those monthly recurring charges as non-bifurcated rates, i.e., just as they appear on the customer's bill. There is no impact to the customer's monthly charges or to the customer's bill presentation.

If you have any questions regarding this filing, please call Becky Donahue at 614-220-8624.

Sincerely,

Glenda L. Munson

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an authorized agent of the applicant corporation, Embarq Communications, Inc., and am authorized to make this statement on its behalf. I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.
