Re: Taft Tool & Production Co. v. AT&T Ohio
Case No. 07-714-TP-CSS

Dear Ms. Jenkins:

Discussions between the parties to the referenced case have resulted in its favorable resolution, as detailed in the attached letter. AT&T Ohio therefore requests that the complaint be dismissed.

By copy of this letter, the Complainant is advised that a Commission rule provides that the Complainant has twenty days to file a written response agreeing or disagreeing with the utility's assertions and that, if no response is filed, the Commission may presume that satisfaction or settlement has occurred and dismiss the complaint.

Thank you for your courtesy and assistance in this matter. Please contact me if you have any questions.

Very truly yours,

cc: Manager, Taft Tool & Production Co.

Re: PUCO Case No. 07-714-TP-CSS

Dear Sir:

I am in receipt of the PUCO complaint you filed concerning unwanted sales calls you received from AT&T. (I am sorry that I cannot read your name as written.) Upon receipt of your complaint, a manager assisted me in placing all three numbers you list on our internal "do not call" list. While it may take a while for that update to take effect throughout the Company, my hope is that you will receive no further unwanted calls from us. Please accept our apology for the inconvenience and frustration this has caused you. If this is a satisfactory resolution of the complaint you filed, please sign the enclosed copy of this letter and return it to me in the enclosed envelope. Feel free to call if you want to discuss this matter further.
