This filing deletes certain services such as Global Savings II and International Savings that were recently added to the intrastate tariff in error. Those services offer international discounts only and should have been posted only in the Company's interstate Residential Schedule No. 1, which is located at www2.embarq.com/tariffs. The associated intrastate companion services for these international plans are already tariffed, such as Always 7 for International as specified in Section 5.1.1H. of the Company's Interexchange Telecommunications Services Tariff.

This filing also corrects rates to reflect the rates that were in effect prior to the recent filing submitted under Case No. 07-733-TP-ZTA. It was determined after that filing was submitted that the rates previously reflected in the tariff were in fact the correct tariffed rates for the Ohio intrastate jurisdiction.

In addition, this filing makes some miscellaneous text corrections none of which impact customers or the manner in which services are provided or billed.

If you have any questions regarding this filing, please call Becky Donahue at 614-220-8624.

Sincerely,

/s/ Glenda L. Munson
