3/ Upon the effective date of this tariff, this service offering will be grandfathered. The offering will not be available to new subscribers. This service offering is experimental and is limited to the first 85 residential customers in the three (3) exchanges requesting this service. There will be no additional charge for the first thirty (30) outgoing calls within the local area per month. For messages in excess of thirty (30), there is an additional charge of \$0.08 per message. No service connection charge will apply for the first time that a customer transfers to or from this service.

4/ Message detail may be viewed by the customer at the company's office without charge. There will be an additional charge of \$0.04 per message if the customer requests the detail of each message printed on the monthly telephone bill. The appropriate service connection charges will also apply to set up or remove this option.

* Effective July 9, 2007, the rates for Residential and Business customers who do not have Touch-Call Service will be grandfathered and will see no change in their monthly rate. Any subsequent change to service made by such a grandfathered customer, however, will result in the loss of the grandfathering exception and will require that customer to upgrade to Touch Call Service.
