EXHIBIT C

McLeodUSA Telecommunications Services, Inc. ("McLeodUSA")

Description:

Toll Free Fee:

McLeodUSA Telecommunications Services, Inc. ("McLeodUSA") is adding the Toll Free Fee, which is a monthly recurring charge associated for each toll free number. The FCC issued an order that entitled the SMS/800 Database provider (also known as a RespOrg) to charge for the services they provide. Although McLeodUSA was initially willing to absorb these charges, it has determined that it is no longer feasible to absorb these costs for customers that have little or no usage on their toll free numbers. Accordingly, the Toll Free Fee is a monthly recurring charge per line for the toll free services provided to our customers that is designed to recoup these fees.

Rationale:

McLeodUSA's rationale for implementation of the changes noted above are to help McLeodUSA be competitive within the market place.
