ANSWER OF AT&T OHIO

---

AT&T Ohio, for its Answer to the complaint filed against it, states as follows:

1. AT&T Ohio admits that Randy Littlejohn ("Complainant") had previously raised service problems with AT&T Ohio in Case No. 06-1177-TP-CSS, with the case being resolved by an agreement dated November 14, 2007.
2. AT&T Ohio avers that repair work has been completed since the date of the agreement.
3. AT&T Ohio admits that its records indicate that Complainant has experienced trouble on his line since the date of the agreement but does not have records that mirror all of the specific dates and times alleged in the complaint.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

4. AT&T Ohio admits that it is currently working to complete a line station transfer and move the Complainant off of the pair system on which he is currently being served in order to resolve the service problems by the end of September 2007.
5. AT&T Ohio denies any other allegations of the complaint not expressly admitted.
6. AT&T Ohio says that it has breached no legal duty owing the Complainant and that its service and practices at all relevant times has been in full accordance with all applicable provisions of law and accepted standards within the telephone industry.
7. AT&T Ohio says that Complainant fails to state reasonable grounds for proceeding to hearing as required by the provisions of Ohio Revised Code Section 4905.26.

WHEREFORE, having fully answered and resolved the issues, Respondent  
AT&T Ohio respectfully prays that this Complaint be dismissed.

Respectfully submitted,

AT&T OHIO
