MOTION FOR EXTENSION OF TIME

Pursuant to Rule 4901-1-13 of the Ohio Administrative Code, Ohio Edison Company ("Ohio Edison") respectfully requests an extension of time until September 28, 2007 for the filing of an Initial Post Hearing Brief in this proceeding. The extension for initial briefs to September 28, 2007 and reply briefs to October 12, 2007, will permit the parties an opportunity to further discuss the potential for entering a settlement agreement. Complainant, Ms. Dye, has indicated that she does not oppose the requested extension.

WHEREFORE, Ohio Edison respectfully requests an extension of time until September 28, 2007 to file Initial Post-Hearing Briefs and October 12, 2007 to file Reply Briefs.

Respectfully submitted,

MEMORANDUM IN SUPPORT

On August 7, 2007, the hearing of the above captioned proceeding was held. Ohio Edison and Ms. Dye began settlement discussions, with the hope that such discussions would ultimately lead to an amicable settlement. Since August 7, 2007, Ms. Dye and Ohio Edison have met and engaged in meaningful settlement discussions. As a result, Ohio Edison has reason to believe that a settlement may be reached.

In the event that the settlement discussions do not result in a settlement, then Ohio Edison would like additional time to complete its Initial Post-Hearing Brief. For this purpose, Ohio Edison seeks an extension of time to Friday, September 28, 2007, to submit its Initial Post-Hearing Brief and Friday, October 7, 2007 to submit its Reply Brief. Ms. Dye is aware of the request for an extension and does not oppose the request.

Ohio Edison respectfully submits that good cause exists for granting the requested extension of time.

Respectfully submitted,
