**SECTION 5 - PROMOTIONAL, SPECIAL SERVICES OFFERINGS  
AND TELECOMPETITIVE SERVICE OFFERINGS**

**5.4 Freedom Plan Plus (FPP)**

Customers who qualify as either a "winback" or "save" under Telecompetitive Service Offerings ("TSO's"), and who Company determines that but for the availability of an alternative rate plan structure, Company would not be able to retain ("save"), or will not be able to winback a prior customer already having switched its services to another carrier ("winback"), may be offered Freedom Plan Plus. The Freedom Plan Plus telecompetitive service offering, whenever added to a customers calling plan, is limited in duration to six consecutive invoices once initiated.

Freedom Plan Plus customers' accounts are subject to ninety-six (96) second Minimum Call Units (MCU's) and Incremental Call Units (ICU's), with rounding to the next full ninety-six (96) second increment thereafter, unless subject to other rounding methodology under a telecompetitive service offer. However, Customers under Freedom Plan Plus receive a waiver of Equivalent Call Units (ECU's). That is, Customers under Freedom Plan Plus are charged, on a per-call basis, for the duration of a call only.

All conditions applicable to Freedom Plan customers must be satisfied in order for a customer to qualify for Freedom Plan Plus. A Customer under Freedom Plan Plus shall be billed at Freedom Plan Rates for Freedom Plan Services, as determined by the Customer's applicable Freedom Plan Rate Category. However, Freedom Plan Plus Customers' accounts must have an applicable Freedom Plan Rate Category which corresponds to a call unit rate of \$0.069 or higher. Freedom Plan customers who select Freedom Plan Plus, whose accounts are subject to a Freedom Plan Rate Category which corresponds to a lower call unit rate than \$0.069 will have their Rate Category adjusted upward to a Rate Category corresponding to a call unit rate of \$0.069 or higher. The same promotions and incentives available to other Freedom Plan customers are available to Freedom Plan Plus customers, subject to the same qualifications and other requirements applicable to other Freedom Plan customers for those promotions or incentives.

As of October 1, 2003, any Customer who has had the Freedom Plan Plus service offering active on their account for six or more consecutive invoices shall have this offering removed from their calling plan.

All Freedom Plan Plus customers in service on or before March 31, 2007, whose services are not part of an unexpired term plan or usage rate guarantee, and which have not experienced a rate category change during the previous three consecutive invoices, shall have their rates adjusted upward by two Rate Categories or to the highest available rate category, whichever is lower, effective for all calls on or after July 1, 2007, that are reflected on invoices rendered on or after August 1, 2007.

**SECTION 5 - PROMOTIONAL, SPECIAL SERVICES OFFERINGS  
AND TELECOMPETITIVE SERVICE OFFERINGS**

**5.4 Freedom Plan Plus (FPP)**

Customers who qualify as either a "winback" or "save" under Telecompetitive Service Offerings ("TSO's"), and who Company determines that but for the availability of an alternative rate plan structure, Company would not be able to retain ("save"), or will not be able to winback a prior customer already having switched its services to another carrier ("winback"), may be offered Freedom Plan Plus. The Freedom Plan Plus telecompetitive service offering, whenever added to a customers calling plan, is limited in duration to six consecutive invoices once initiated.

Freedom Plan Plus customers' accounts are subject to ninety-six (96) second Minimum Call Units (MCU's) and Incremental Call Units (ICU's), with rounding to the next full ninety-six (96) second increment thereafter, unless subject to other rounding methodology under a telecompetitive service offer. However, Customers under Freedom Plan Plus receive a waiver of Equivalent Call Units (ECU's). That is, Customers under Freedom Plan Plus are charged, on a per-call basis, for the duration of a call only.

All conditions applicable to Freedom Plan customers must be satisfied in order for a customer to qualify for Freedom Plan Plus. A Customer under Freedom Plan Plus shall be billed at Freedom Plan Rates for Freedom Plan Services, as determined by the Customer's applicable Freedom Plan Rate Category. However, Freedom Plan Plus Customers' accounts must have an applicable Freedom Plan Rate Category which corresponds to a call unit rate of \$0.069 or higher. Freedom Plan customers who select Freedom Plan Plus, whose accounts are subject to a Freedom Plan Rate Category which corresponds to a lower call unit rate than \$0.069 will have their Rate Category adjusted upward to a Rate Category corresponding to a call unit rate of \$0.069 or higher. The same promotions and incentives available to other Freedom Plan customers are available to Freedom Plan Plus customers, subject to the same qualifications and other requirements applicable to other Freedom Plan customers for those promotions or incentives.

As of October 1, 2003, any Customer who has had the Freedom Plan Plus service offering active on their account for six or more consecutive invoices shall have this offering removed from their calling plan.

All Freedom Plan Plus customers in service on or before June 30, 2007, whose services are not part of an unexpired term plan or usage rate guarantee, and which have not experienced a rate category change during the previous three consecutive invoices, shall have their rates adjusted upward by two Rate Categories or to the highest available rate category, whichever is lower, effective for all calls on or after October 1, 2007, that are reflected on invoices rendered on or after November 1, 2007.
