## THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Complaint of Ronald E. Ehrbar,	)
Complainant,	)
v.	) Case No. 07-561-EL-CSS
Hancock-Wood Electric Cooperative, Inc.,	)
Respondent.	)

## **ENTRY**

The Commission finds:

- (1) On May 9, 2007, Ronald E. Ehrbar (complainant) filed a complaint against Hancock-Wood Electric Cooperative, Inc. (Hancock-Wood). The complainant maintains that the cable and power adjustment charges billed by Hancock-Wood, which are currently calculated by the amount of electricity used, should be billed on a flat-rate basis.
- (2) On May 9, 2007, the secretary of the Commission served a copy of the complaint on Hancock-Wood and directed Hancock-Wood to file an answer to the complaint with the Commission.
- (3) On June 5, 2007, Hancock-Wood filed a letter responding to this complaint. Hancock-Wood states that, while it is an electric cooperative with certified boundaries established by the Commission, it is not subject to the Commission's supervision or regulation.
- (4) Section 4905.03(A)(4), Revised Code, provides that a corporation is an "electric light company, when engaged in the business of supplying electricity for light, heat, or power purposes to consumers within this state." Section 4905.02, Revised Code, defines the term "public utility" to exclude electric light companies that operate their utilities on a not-for-profit basis.
- (5) Section 4905.26, Revised Code, provides that any person may file a complaint against a "public utility" alleging that any rate This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business. Technician SM Date Processed 10/3/07

charged by the public utility is unjust, unreasonable, unjustly discriminatory, unjustly preferential, or in violation of law. Since Hancock-Wood is a not-for-profit electric light company, it is not a "public utility." Therefore, the Commission is not authorized to hear a complaint regarding rates against Hancock-Wood under Section 4905.26, Revised Code. Therefore, this case must be dismissed for lack of jurisdiction to hear this complaint.

It is, therefore,

ORDERED, That this complaint be dismissed. It is, further,

ORDERED, That a copy of this entry be served on all parties of record.
