Re: Case # ~~701112~~ 07-1112-WS-A12

To Whom It May Concern:

I am a retired widow living alone in Imperial Estates. The American Water Company provides clean water here and the county takes care of sewage. The flat rate is outrageous when you take into account that I have to pay separately for sewage. My daughter who also lives alone pays \$20 per month in the city of Mansfield for both water and sewage.

Please do not approve their request for a rate increase.

Sincerely,

*Edith E. Werman*
