To Whom It May Concern

I have lived in blacklick Estates since 1963 and the water is no better now than it was then.

They said they have put a lot of money in the water system, they said this the last time and they got a raise, there are a lot of empty houses in the area. Therefore their revenue is down. It not fair to ~~for~~ make people living in blacklick to be charge more money to make up the loss.

Thank You
