Other* (explain) The purpose of this filing is to provide for the termination of the VISA Calling Card Plan. In early 2007 a tariff filing was issued to this State Commission to grandfather the VISA Calling Card Plan. Customers were notified in early 2007 that effective July 1, 2007 they would no longer earn rebates on their Visa credit cards. The notice also informed customers that all existing rebates earned through June 30, 2007 would expire no later than August 31, 2007. Therefore customers had two months (over 60 days) to apply credits towards their VSSI postpaid calling card usage.

*NOTE: During the interim period between the effective date of the rules and an Applicant's Detariffing Filing, changes to existing business Tier 2 and all toll services, including the addition of new business Tier 2 and all new toll services, will be processed as 0-day TRF filings, and briefly described in the "Other" section above.

All Section I and II applications that result in a change to one or more tariff pages require, at a minimum, the following exhibits. Other exhibits may be required under the applicable rule(s). ACN, ACO, AMT, ATC, ATR and CIO applications see the 4901:1-6-14 Filing Requirements on the Commission's Web Page for a complete list of exhibits.

Exhibit	Description:
A	The tariff pages subject to the proposed change(s) as they exist before the change(s)
B	The Tariff pages subject to the proposed change(s), reflecting the change, with the change(s) marked in

	the right margin.
C	A short description of the nature of the change(s), the intent of the change(s), and the customers affected.
D	A copy of the notice provided to customers, along with an affidavit that the notice was provided according to the applicable rule(s).

Section III. – Attestation
