THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of the City of)
Perrysburg for Certification as a) Case No. 01-2383-EL-GAG
Governmental Aggregator.)

ENTRY

The attorney examiner finds:

- (1) On January 4, 2006, the Commission issued Certificate No. 01-080 to the city of Perrysburg (Perrysburg) to provide governmental aggregation service. The expiration date for Certificate 01-080 is December 27, 2007.
- (2) On December 19, 2007, Perrysburg filed a motion for an extension of the expiration date of its existing certificate. In its motion, Perrysburg stated that it inadvertently failed to file an application for renewal of its certificate within the timeframe set forth in Rule 4901:1-27-09(A), Ohio Administrative Code. Perrysburg indicated that there have been no material changes in the operation of its aggregation program and the extension of the certificate expiration date is necessary to prevent irreparable harm to Perrysburg and its aggregation participants.
- (3) The examiner believes that an extension of the expiration date of Certificate No. 01-080 to January 16, 2008, is warranted so that Perrysburg's customers will not be adversely affected while its renewal application is under consideration.

It is, therefore,

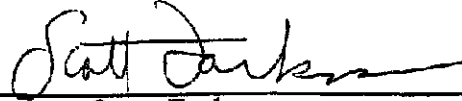

ORDERED, That Perrysburg's motion for an extension of the certificate expiration date be granted. It is, further,

ORDERED, That the December 27, 2007 expiration date of Certificate No. 01-080 be extended to January 16, 2008. It is, further,
