**RE: Verizon Business Services: Tariff No. 1
Grandfathering of Verizon Business Services II**

Dear Ms. Jenkins:

MCI Communications Services, Inc. d/b/a Verizon Business Services ("Verizon Business") is filing with your office an original and ten (10) copies of revisions to its P.U.C.O. Tariff No. 1.

Verizon Business proposes to grandfather the Verizon Business Services II offering including the Verizon Business Services II rates under U.S. Private Line. Beginning January 1, 2008, Verizon Business Services II will no longer be available to new customers. Existing Verizon Business Services II customers will not be affected by this tariff change.

Verizon Business respectfully requests an effective date of January 1, 2008.

If you have any questions regarding this filing, please call me at (312) 260-3245 or send me an email at shannon.brown@verizonbusiness.com.

Respectfully submitted,

Shannon L. Brown

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, MCI Communications Services, Inc. d/b/a Verizon Business Services, and am authorized to make this statement on its behalf.
(Name)

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

SECTION 5 - INTEREXCHANGE SERVICES (Cont'd)

5.3 Other Service Arrangements (Cont'd)

5.3.14 Verizon Business Services II

Verizon Business Services II is an outbound, customized telecommunications service that may include an inbound service option using Business Line/WATS or Dedicated Access Line terminations and/or a virtual private network. Verizon Business Services II provides a service for single or multi-location companies using switched, dedicated and card origination, and switched and dedicated termination.

Except as otherwise specified, all domestic Verizon Business Services II calls are subject to an 18-second minimum initial period and rounding to the next higher 6-second increment, except for Operator Assisted calls, which are subject to a 60-second initial period and rounding to the next 60-second increment. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

The rules and regulations governing the provision of service for toll free (inbound) service are identical to those for Toll-Free Service as filed in this tariff except where otherwise specified.

This tariff is being offered to customers that have a requirement to make intrastate calls. Intrastate service is provided in conjunction with interstate Verizon Business Service II service and is available only to customers subscribing to interstate Verizon Business Services II and Product Packages Guide Types 18, 19, 20 or 21 as provided in the Company's "Service Publication and Price Guide" (The Guide) located on the Company's website at www.verizonbusiness.com; (Companion Interstate Service).

5.3.14.1 Usage

5.3.14.1.1 Definitions

The following definitions will apply for all usage rates:

Local Network Connection: A switched connection between a customer premises and a Verizon Business Point of Presence which is provided by Verizon Business or a Verizon Business affiliate.

Dedicated: A non-switched connection between a customer premises and a Verizon Business Point of Presence.

Switched: A switched connection between a customer premises and a Verizon Business Point of Presence which is not provided by Verizon Business or a Verizon Business affiliate.

Card: Call origination using an Verizon Business Services II Card.

SECTION 5 - INTEREXCHANGE SERVICES (Cont'd)

5.3 Other Service Arrangements (Cont'd)

5.3.14 Verizon Business Services II¹

Verizon Business Services II is an outbound, customized telecommunications service that may include an inbound service option using Business Line/WATS or Dedicated Access Line terminations and/or a virtual private network. Verizon Business Services II provides a service for single or multi-location companies using switched, dedicated and card origination, and switched and dedicated termination.

Except as otherwise specified, all domestic Verizon Business Services II calls are subject to an 18-second minimum initial period and rounding to the next higher 6-second increment, except for Operator Assisted calls, which are subject to a 60-second initial period and rounding to the next 60-second increment. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

The rules and regulations governing the provision of service for toll free (inbound) service are identical to those for Toll-Free Service as filed in this tariff except where otherwise specified.

This tariff is being offered to customers that have a requirement to make intrastate calls. Intrastate service is provided in conjunction with interstate Verizon Business Service II service and is available only to customers subscribing to interstate Verizon Business Services II and Product Packages Guide Types 18, 19, 20 or 21 as provided in the Company's "Service Publication and Price Guide" (The Guide) located on the Company's website at www.verizonbusiness.com; (Companion Interstate Service).

5.3.14.1 Usage

5.3.14.1.1 Definitions

The following definitions will apply for all usage rates:

Local Network Connection: A switched connection between a customer premises and a Verizon Business Point of Presence which is provided by Verizon Business or a Verizon Business affiliate.

Dedicated: A non-switched connection between a customer premises and a Verizon Business Point of Presence.

Switched: A switched connection between a customer premises and a Verizon Business Point of Presence which is not provided by Verizon Business or a Verizon Business affiliate.

Card: Call origination using an Verizon Business Services II Card.

¹Effective January 1, 2008, Verizon Business Services II, including all plans under this service, is grandfathered and is no longer available to new customers.

Monthly Recurring Charges: A monthly recurring charge will apply for each Offering under this plan. This charge is identical to, and shall not be in addition to, any monthly recurring charge applicable to Companion Interstate Service or Companion Local Service. Offering A is available on a per-Local Line basis, Offering B is available on a per-Local Trunk basis and Offering C is available on a per-Local T-1 or ISDN-PRI basis. See Price List for monthly recurring charges.

Benefits:

Offering A: Upon installation of Companion Interstate Service and Companion Local Service, the customer will receive unlimited Eligible Intrastate Service, Eligible Interstate Usage and unlimited exchange service usage as described in the Companion Local Service tariffs or other appropriate governing document.

Offering A Flat with Cap: Upon installation of Companion Interstate Service and Companion Local Service, the customer will receive an allotment of 800 minutes per monthly period per-Local Line that may be used for (i) Eligible Interstate Usage and (ii) Eligible Intrastate Service in that monthly period. Customers whose usage exceeds this allotment in any monthly period will be charged \$0.05 per minute for Eligible Intrastate Service that exceeds the allotment (Overage Usage Charge). When a call under this offering begins prior to the completion of customer's monthly allotment and ends after completion of the allotment, the customer will be charged \$0.05 per minute for Eligible Intrastate Service for the portion of the call occurring after completion of the allotment. For customers enrolling in this plan after the first day of a billing cycle, whose allotment begins after the first day of a billing cycle or whose enrollment in this plan ends before the last day of the billing cycle, the allotment will be pro-rated for that billing cycle. The portion of a Customer's allotment that is not exhausted at the end of a monthly billing period will not carry over to the next month.

Offering B: Upon installation of Companion Interstate Service and Companion Local Service, the customer will receive an allotment of 1,250 minutes per monthly period per-Local Trunk that may be used for (i) Eligible Interstate Usage and (ii) Eligible Intrastate Service in that monthly period. Customers whose usage exceeds this allotment in any monthly period will be charged \$0.05 per minute for Eligible Intrastate Service that exceeds the allotment (Overage Usage Charge). When a call under this offering begins prior to the completion of customer's monthly allotment and ends after completion of the allotment, the customer will be charged \$0.05 per minute for Eligible Intrastate Service for the portion of the call occurring after completion of the allotment. For customers enrolling in this plan after the first day of a billing cycle, whose allotment begins after the first day of a billing cycle or whose enrollment in this plan ends before the last day of the billing cycle, the allotment will be pro-rated for that billing cycle. The portion of a Customer's allotment that is not exhausted at the end of a monthly billing period will not carry over to the next month.

C	\$1,400.00 ³	\$1,400.00 ³
C Flat with Cap	\$1,325.00	\$1,325.00

Benefits:

Offering A: Upon installation of Companion Interstate Service and Companion Local Service, the customer will receive unlimited Eligible Intrastate Service, Eligible Interstate Usage and unlimited exchange service usage as described in the Companion Local Service tariffs or other appropriate governing document.

Offering A Flat with Cap: Upon installation of Companion Interstate Service and Companion Local Service, the customer will receive an allotment of 800 minutes per monthly period per-Local Line that may be used for (i) Eligible Interstate Usage and (ii) Eligible Intrastate Service in that monthly period. Customers whose usage exceeds this allotment in any monthly period will be charged \$0.05 per minute for Eligible Intrastate Service that exceeds the allotment (Overage Usage Charge). When a call under this offering begins prior to the completion of customer's monthly allotment and ends after completion of the allotment, the customer will be charged \$0.05 per minute for Eligible Intrastate Service for the portion of the call occurring after completion of the allotment. For customers enrolling in this plan after the first day of a billing cycle, whose allotment begins after the first day of a billing cycle or whose enrollment in this plan ends before the last day of the billing cycle, the allotment will be pro-rated for that billing cycle. The portion of a Customer's allotment that is not exhausted at the end of a monthly billing period will not carry over to the next month.
