Docketing Division

Case No. ~~07-135~~-TP-CSS

Bill Stamatou

Vs.

First Communication

December 31, 2007

Public Utility Commission of Ohio

Per your letter dated 10/24/2007: "The complainant should pursue his 800-number complaint before the FCC. If, after the compliant has pursued his 800 number complaint with the FCC, there are other issues that are not resolved by the FCC that are within the jurisdiction of state regulatory authorities, Mr. Stamatou may file a new compliant seeking our determination on such other issues at that time."

I would like to formally file a new complaint; due to the fact the FCC has closed this case. Attached is the final email from the FCC.

Sincerely

Bill Stamatou
