SECTION 3 - DESCRIPTION OF SERVICE

3.1. TIMING OF CALLS

- 3.1.1. The subscriber's long distance usage charge is based on the actual usage of Company's service. Usage begins when the receiver of the called number is answered. The moment of the called party's answer is determined by hardware supervision in which the local telephone company sends a signal to the underlying carrier's switch or the software utilizing audio tone detection. The timing of the call occurs when called party answers and terminates when either party hangs up.
- 3.1.2. The minimum call duration for billing purposes differs between rate plans.
- 3.1.3. Usage is measured and rounded up to the next billing increment.
- 3.1.4. There is no billing for incomplete calls.

3.2. U.S. TELECOM TELECOMMUNICATIONS SERVICES

- 3.2.1 Company provides switched access, incumbent local exchange carrier-billed telecommunications services which allow commercial and residential Customers to establish a communications path between two stations by using uniform dialing plans.
- 3.2.2. **"1 Plus" Commercial Long Distance Service - Switched** is a switched access service, offering commercial users outbound "1 plus" long distance telecommunications services from points originating and terminating within the State of Ohio.
- 3.2.3. **"1 Plus" Residential Long Distance Service - Switched** is a switched access service, offering residential users outbound "1 plus" long distance telecommunications services from points originating and terminating within the State of Ohio.

SECTION 3 - DESCRIPTION OF SERVICE, Continued

3.2. U.S. TELECOM TELECOMMUNICATIONS SERVICES, Continued

3.2.4. **Residential Calling Card Service** permits residential Customers to charge a principal presubscribed location for a call placed while the caller is away from the principal location. The Customer may place calls from any dual tone multi-frequency phone in the United States by dialing a toll free number and entering a personal identification code, followed by the desired telephone number. Calling Card calls appear on the Customer's monthly long-distance bill.

3.2.5 **Residential Local Exchange Carrier Calling Card Service** permits residential Customers to charge the principal presubscribed location for a call placed while the Customer is away from the principal location when utilizing a calling card issued by an incumbent local exchange carrier, which does not provide interLATA services. The Customer may place calls from any dual tone multi-frequency phone in the United States by dialing a toll free number and entering a personal identification code, followed by the desired telephone number. Local Exchange Carrier Calling Card interLATA calls appear on the Customer's monthly long-distance bill.

3.3. PROMOTIONS

The Company may, from time to time, engage in special promotions of new or existing Service offerings of limited duration designed to attract new Customers or to increase existing Customer awareness of a particular offering. All promotional offerings shall be offered in accordance with applicable Commission rules or regulations.

Exhibit C

Matrix or narrative summarizing all changes proposed in the application, and/or other information intended to assist Staff in the review of the Application.

Applicant removes all Tier II service descriptions and attendant rates, pursuant to the Commission's *Implementation Order*. Please refer to discussion at Exhibit B, *supra*.

Exhibit D

Explanation of how the Applicant intends to comply with Rule 4901:1-6-05(G)(3) regarding disclosure of rates, terms, and conditions for detariffed services, including:

- **citation to the appropriate Web Page if any, in accordance with rule 4901:1-6-05(G)(4), and/or**
- **copy of other materials and publications to be used to comply with 4901:1-6-05(G)(3).**

At the time Applicant sought intrastate operating authority, the company filed its interexchange service tariff, P.U.C.O. Tariff No. 1. The Company anticipated that it would at some point provide interexchange services. Since the grant of its intrastate operating authority in Ohio, the Company has focused its operations elsewhere. It has not developed nor provided retail interexchange services to the public and has no customers to notify, accordingly.

Should Applicant in the future provide retail telecommunications services in Ohio, the Company will post retail service descriptions and rates on its web site, as well as provide rate and service information to customers upon request and upon changes to applicable rates pursuant to Rule 4901:1-6-05(G).

Exhibit E

One-time customer notice of detariffing and related changes consistent with rule 4901:1-06-16(B), including where customers may find the information regarding such services as required by rule 4901:1-6-05(G)(3).

Please refer to response to Exhibit D, *supra*.

EXHIBIT F

Affidavit that the Customer Notice described in Exhibit E has been sent to Customers.

Please see attached.
