Dear Governor Strickland,

I am writing you hoping you may be able to help us.

I am a senior citizen living in Huber Ridge area, and we have American Water Company.

Our water is terrible and they keep wanting more money. We have settlement in our water and calcium build up.

I am a senior citizen living on a fix income and can not afford the money they want for trouble water.

I would be grateful for anything you can do.

Yours Truly

Anna M. Grant
