

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of Milling Away, LLC,

Complainant,

v.

Ohio Edison Company,

Respondent.

Case No. 07-1033-EL-CSS

ENTRY

The Commission finds:

- (1) On September 18, 2007, Milling Away, LLC (Milling Away), filed a complaint against Ohio Edison Company (Ohio Edison), alleging that Milling Away had been incorrectly billed for power usage at a prior address. The complaint provided no additional information.
- (2) Ohio Edison responded on November 2, 2007, by stating that it has provided electric service to Milling Away at various times in several locations and under several different accounts. Ohio Edison added that in light of this history and the brevity of the complaint, Ohio Edison could not determine with particularity the facts and circumstances underlying the complaint, and denied the allegations in the complaint. Finally, Ohio Edison stated that it currently maintains an account in Complainant's name, which reflects charges for current electric service, plus a prior balance for which Milling Away had been responsible, and that the transfer of a balance from another account was done lawfully.
- (3) By entry issued on December 3, 2007, the attorney examiner scheduled the matter for a prehearing conference on December 19, 2007. At the prehearing conference, the parties resolved to continue working together toward a settlement.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

Technician 19N Date Processed 2/13/68

- (4) On January 24, 2008, Ohio Edison and Milling Away filed a joint motion to dismiss. The joint motion states that the parties have reached an informal settlement which fully and finally resolves all issues in this proceeding. The parties also request that the Commission dismiss the proceeding with prejudice.
- (5) Given the contents of the January 24, 2008, joint motion to dismiss, the Commission considers the parties' request to be reasonable. Therefore, the complaint filed by Milling Away is dismissed with prejudice.

It is, therefore,

ORDERED, That the complaint filed by Milling Away is dismissed with prejudice.
It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
