REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of Access Point, Inc.:

We have audited the accompanying balance sheets of Access Point, Inc. (a North Carolina corporation and a majority-owned subsidiary of Access Point Communications, Inc.) as of December 31, 2006 and 2005, and the related statements of operations, changes in shareholders' (deficit) equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

÷.,

We conducted our audits in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Access Point, Inc. as of December 31, 2006 and 2005, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Dear Mr. Welch:

Your letter dated November 27, 2007, requesting commencement of negotiations on behalf of Access Point, Inc. ("Access Point") in compliance with our mutual good faith obligations under the Telecommunications Act of 1996 was faxed and received November 28, 2007. Our records Indicate that Access Point currently has an approved 9-State Interconnection Agreement in Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina and Tennessee, which does not expire until October 27, 2009. In addition, Access Point has a binding Commercial Agreement in said states, which expires December 31, 2008.
