TO: George Martin, Planner, Railroad Division, PUCO

FROM: Susan Kirkland, Supervisor, Safety Section, ORDC

BY:  Tod Darfus, Project Manager, Safety Section, ORDC

SUBJECT: Hancock County, Village of Rawson, Norfolk Southern Consolidation Project.

DATE: February 25, 2008

The Ohio Rail Development Commission (ORDC) and Norfolk Southern Railroad Corporation (NS) have negotiated the closure of two (2) redundant grade crossings in the community of Rawson in Hancock County. In exchange for the closure of the crossings, the ORDC and NS will fund the installation of flashing lights and roadway gates at the two (2) remaining crossings in the community. The warning device installations will be funded at an 80/20 percent split with NS. NS will cover, at their sole expense, the cost of removing the roadway from the two crossings to be closed, removing warning devices on their right of way and installing MUTCD compliant barricades. NS is also providing a cash incentive payment to the community in the amount of \$28,000.

The improvements and closures are outlined below.

Gaw Street	USDOT# 476 854H	closure
Park Lane	USDOT# 476 852U	closure
Main Street	USDOT# 476 853B	upgrade
Vance Street	USDOT# 476 851M	upgrade

Please issue an Order for the project outlined above. This construction authorization is made with the stipulation and understanding that any field work needs prior approval before the work begins. This authorization is made with the stipulation and understanding that an approved estimate may contain entries for items or activities that may be cited and found to be ineligible for federal participation during the project audit.

Thank you for your assistance with these matters.

WHEREAS, the parties hereto propose to facilitate the improvements identified in this Subsidy

WHEREAS, the parties, intending to be legally bound, further agree that the public grade

NOW THEREFORE, for and in consideration of the mutual promises and covenants contained

I. PURPOSE

There are numerous public highway/railroad grade crossings located within the limits of the VILLAGE. The purpose of this Subsidy Agreement is to enhance the safety of the traveling public who are required to regularly travel through these public grade crossings.

II. GRADE CROSSING CLOSURES

The VILLAGE agrees to permanently close, to all vehicular and pedestrian traffic of any kind, NS's grade crossings located on the following streets:

<u>Highway ID</u>	<u>AAR #</u>
Gaw Street	476 854H
Park Lane (AKA Henderson Street)	476 852U

Unless otherwise directed by the VILLAGE, the closures shall take place at the completion of the improvements outlined in Section 3- Grade Crossing Upgrades.

on *NS*
The VILLAGE shall install guardrails on each side of the tracks, at the two (2) grade crossings to be closed. The guardrails shall be in conformance with the Manual on Uniform Traffic Control Devices (MUTCD). Appropriate MUTCD signage shall be installed in conjunction with the guardrails.

The VILLAGE shall remove the advance warning signs and pavement markings from the two (2) crossings to be closed.

NS shall remove all pavements from the crossing area within railroad right-of-way and remove all existing warning devices from the two (2) crossings to be closed.

The VILLAGE acknowledges that closure of the aforementioned public grade crossings will further the public safety without unreasonable inconvenience to the public, and that vehicular traffic may be easily diverted to other nearby public grade crossings. Following receipt of public input, the VILLAGE has enacted an Ordinance 2006-11, dated November 13, 2006 that expresses these acknowledgments, the form and substance of which are acceptable to ORDC and PUCO.

III. GRADE CROSSING UPGRADES

In consideration of the commitment by the VILLAGE to permanently close the two (2) grade crossings to all vehicular and pedestrian traffic of any kind designated in Section II, the improvements will be accomplished as follows (the "improvements"):

<u>Highway ID</u>	<u>AAR #</u>	<u>Improvement</u>
Main Street	476 853B	Installation of flashing lights and roadway gates
Vance Street	476 851M	Installation of flashing lights and roadway gates

The VILLAGE shall furnish advance warning signs and pavement markings as specified in the Manual of Uniform Traffic Control Devices (MUTCD) and applicable federal regulations and shall assume all costs to maintain such signage and markings in the future. Existing signs and pavement markings shall be deemed acceptable if those items are in good condition.

IV. COST ALLOCATION; BILLING

The actual costs for the improvements set forth in Section II of this Subsidy Agreement shall be borne one hundred percent (100%) by NS and the VILLAGE as set forth in Section II.

The cost of the advance warning signs and pavement markings set forth in Section III of this Subsidy Agreement shall be borne one hundred percent (100%) by the VILLAGE.

The actual costs for the improvements outlined as installation of flashing lights and roadway gates shall be borne eighty percent (80%) by the ORDC and twenty percent (20%) by NS.

In total the actual costs for the improvements borne by ORDC set forth in Section III of this Subsidy Agreement shall not be greater than \$400,000.00.

The costs assigned to ORDC shall be satisfied through the expenditure of Federal funds administered by ORDC and subject to approval by the Federal Highway Administration ("FHWA"). In the event that delays or difficulties arise in securing necessary Federal approvals which, in the opinion of ORDC, render it impracticable to utilize Federal funds for the construction of this project, then at any time before NS is authorized to purchase or furnish the items included under this Subsidy Agreement, ORDC may serve formal notice of cancellation upon NS and the VILLAGE, and this Subsidy Agreement shall become null and void. ORDC/PUCO shall reimburse NS and the VILLAGE for all costs and expenses reasonably incurred on account of the improvements prior to such cancellation, including costs associated with winding down the project.

NS shall be responsible for initially paying all of their actual costs to install the safety improvements identified in Section II & III. However, ORDC shall be legally bound to reimburse NS for its costs in section III, as set forth above, not to exceed \$400,000.00 upon proper application therefore by NS, consistent with the terms of this Subsidy Agreement and in accordance with all applicable Federal regulations.

All plans, specifications, estimates of costs, acceptance of work, and procedures in general, to facilitate the construction of the safety improvements described above, shall conform in all respects to applicable Federal laws, rules, regulations, orders, and approvals applicable to Federal-Aid projects. ORDC shall reimburse NS in accordance with FAPG 140, Subchapter B. and 23 C.F.R., Part 646, or any subsequent amendments thereto, in such amounts and form as are proper and eligible for payment from Federal-Aid highway funds. NS shall render its billings to ORDC in accordance with said rules and regulations, and NS shall also provide and furnish such itemized records of and substantiating data for such costs as may be required.

NS may bill ORDC monthly or periodically for its costs when costs exceed \$1,000.00. NS shall submit five (5) copies of its bill and in accordance with said rules and regulations as they have been issued or as thereafter may be supplemented or revised. A final bill covering actual cost and showing details shall be submitted to ORDC within ninety (90) days after completion of the improvements. ORDC shall pay all bills within sixty (60) days after receipt thereof, except that ORDC may hold a retainer on all bills not to exceed eight percent (8%) until final payment. Final payment for all amounts due NS shall be made by ORDC within sixty (60) days after a final audit has been performed and approved by ORDC. The audit shall occur within 180 days of submission of NS's final bill. NS agrees to cooperate and assist, as requested, in any such audit.

At any time during normal business hours upon three (3) days written notice and as often as ORDC/PUCO may deem necessary and in such a manner as not to interfere with the normal business operations, NS shall make available to ORDC, for examination, and to appropriate state agencies or officials, all of its records with respect to matters covered by this Agreement including, but not limited to, records of personnel and conditions of employment and shall permit ORDC to audit, examine and make excerpts or transcripts from such records.

In the event of a controversy as to the eligibility for reimbursement of any charges claimed against the improvement as set forth in Section II & III of this Subsidy Agreement, the decision of the ORDC regarding same shall be final. However, NS and/or the VILLAGE may appeal the decision of the ORDC to a court of competent jurisdiction for further review.

No work requiring reimbursement under this Subsidy Agreement shall be commenced by the parties until all of the following have occurred: (1) this Subsidy Agreement shall have been approved by ORDC/PUCO; (2) all financial obligations of ORDC/PUCO, as provided for in this contract, are subject to the provisions of Section 126.07 of the Ohio Revised Code and shall not be valid and enforceable unless funds are appropriated by the Ohio General Assembly and encumbered by ORDC; (3) NS has been notified by ORDC/PUCO to proceed with construction of the improvements. Work on the improvements shall commence within 30 days of the occurrence of events (1), (2) and (3) described herein. Buying and assembling of materials shall be construed as compliance with the foregoing thirty (30) day provision. Said work shall be pursued diligently by NS until completed.

V. NOTIFICATION

Any person who, prior to or after the execution of this Agreement, acquires any personal monetary interest, involuntarily or voluntarily, shall immediately disclose his interest to ORDC/PUCO in writing. Thereafter, such person shall not participate in any action affecting the work under this Agreement unless the ORDC/PUCO determines that, in light of the personal monetary interest disclosed, his participation in any such action would not be contrary to the public interest.

All such requests must be submitted to the PUCO in writing and must include a statement setting forth the reasons prompting the request and the time within which the project will be completed. Extensions for up to 30 days may be granted by the PUCO's attorney examiner. Any request for an extension in excess of 30 days will be considered and decided by the PUCO's commissioners. No request for an extension of time to complete a project will be considered unless it is received prior to the completion date previously established by the PUCO and unless the reasons for the request are clearly set forth therein.
