**2. RULES AND REGULATIONS (Continued)****2.5 Blocking of Calling Party Number (CPN)****1. Description**

When Caller ID is activated on a customer's line, the CPN of incoming calls is displayed at the called Customer Premise Equipment (CPE) during the first, long silent interval of the ringing cycle.

Per line blocking of CPN is available upon request, at no charge, to the following entities for lines over which the official business of the agency is conducted, including those at the residences of employees/volunteers, where an executive officer of the agency registers a need for blocking and provides the required certification to Sprint: a) private, nonprofit, tax exempt, domestic violence intervention agencies and b) federal, state, and local law enforcement agencies. The CPN will not be transmitted from a line equipped with this capability. Per line blocking is operational on a continuous basis but can be deactivated by the customer by dialing an access code immediately prior to placing a call. Line blocking customers can unblock their CPN information on a per call basis, at no charge, by dialing an access code (\*82 on their touch tone pad or 1182 from a rotary phone) immediately prior to placing a call.

A customer may prevent the delivery of their calling name and/or number to the called party by dialing an access code (\*67 on their touch tone pad or 1167 from a rotary phone) immediately prior to placing a call. The access code will activate per call blocking, which is available at no charge. If the calling party activates blocking, the CPN will not be transmitted across the line to the called party. Instead, customers will receive an anonymous indicator notifying the Caller ID customer that the calling party has elected to block the delivery of their name and telephone number. The blocking of CPN will not be provided on calls originating from Customer Owned Pay Telephones. If the Caller ID customer also subscribes to Selective Call Rejection, the calling party will be routed to a telephone company recording advising the caller that the called party will not accept calls whose CPN has been blocked.

If after notification the Approved Information and Referral Service Provider makes no modification in method of operation or in the service arrangements that are deemed service-protective by the Company, or if the Approved Information and Referral Service Provider is unwilling to accept the modifications, or if the Approved Information and Referral Service Provider continues to cause service impairment, the Company reserves the right, at any time, without further notice, to institute protective measures, up to and including termination of service.

**Compliance with Rule 4901:1-6-05(G)(4)**

The applicant will post retail service descriptions on its website at [www.sprint.com/tariffs](http://www.sprint.com/tariffs) that outlines the services offered, terms and conditions and instruction as to where customers may obtain their specific rates.

**08-351-TP-ATA**  
**Customer Notice**

One-time customer notice of detariffing and related changes consistent with rule 4901:1-06-16(B), including where customers may find the information regarding such services as required by rule 4901:1-6-05(G)(3).

Dear Valued Sprint Customer,

Beginning on April 1, 2008, the prices, service descriptions, and the terms and conditions for certain telecommunication services that you are provided by Sprint Communications Company, L.P. (Sprint) will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

The services affected are Business Local Exchange Service, Sprint Integrated Local Service, N11 Services.

This modification does not automatically result in a change in the prices, terms or conditions of those services to which you currently subscribe. Sprint must still provide a customer notice at least 15 days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in the company's Intrastate Schedule online at [sprint.com/tariffs](http://sprint.com/tariffs) or you can request a copy of this information by contacting Sprint at P.O. Box 15955, Shawnee Mission, KS 66285 or by calling 1-800-877-4020.

Because these services will no longer be on file with the Commission, the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Sprint toll free at 1-800-877-4020 or visit [sprint.com/tariffs](http://sprint.com/tariffs).

Sincerely,  
Sprint Communications Company, L.P.

**LOCAL EXCHANGE SERVICES****2. UNDERTAKING OF THE COMPANY**

1. The Company undertakes to provide the services offered in this tariff on the terms and conditions and at the rates and charges specified.
2. Service will be provided where facilities, ordering and billing capabilities and the resale of necessary underlying network elements are technologically available and operationally and/or economically feasible. The furnishing of service under this tariff is subject to the continuing availability of all necessary facilities.
3. The Company reserves the right to limit use of facilities when necessary due to a shortage of facilities or other cause beyond the Company's control.
4. The Company's services are available for use twenty-four hours per day, seven days per week.
5. Except as otherwise stated in this tariff, service is provided on the basis of a minimum period of thirty days. For the purposes of computing charges in this Tariff, a month is considered to have 30 days.

8. The Company's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services.
9. The use of the Company's services without payment for service or attempting to avoid payment for service by fraudulent means or devices, schemes, false or invalid numbers, or false call or credit cards is prohibited.

**7. PROMOTIONAL OFFERINGS (Cont'd)****Service Repair Guarantee Promotion**

Beginning March 28, 2005, new business customers may be eligible to receive a partial credit to their Monthly Recurring Charge (MRC). To be eligible, new business customers who contact Sprint and request this promotion must subscribe to Sprint Integrated Local Services under a one, two or three-year term agreement. The Service Repair Guarantee Promotion provides a credit to eligible business customers should the Company fail to repair service within the appointed timeframe when a service trouble report is received by the Company for Sprint Integrated Local Services customers subscribing to a one, two or three year commitment on or after March 28, 2005.

The Company will repair all service trouble tickets within four hours of receiving a service trouble report when an on site visit to the customer's premises is not required. The Company will repair all service trouble tickets within eight hours of receiving a service trouble report when an on site visit to the customer's premises is required. When an eligible customer believes Sprint has failed to repair the service within the designated commitment period and contacts Sprint in writing within fifteen days of the Company's receipt of the trouble report, and upon the Company's verification that the Company failed to repair service within the appointed timeframe, the Company will provide a credit on the customer's next monthly invoice. The credit will be equal to one and one half days of the MRC for all regulated services associated with the service trouble report. One credit will apply per customer request when the appointed timeframe is missed.

The Service Repair Guarantee credits will not apply to: 1) commitments missed during or following a natural disaster, labor difficulties, governmental orders, civil commotions, cable cuts or circumstances beyond the control of the Company; 2) temporarily or permanently discontinued service due to nonpayment of bills; or, 3) situations when access to a customer's premises was required and neither the customer nor a customer representative was available to provide access to the customer's premises.

The Service Repair Guarantee credit is above and beyond that required by the Ohio MTSS rules found in 4901:1-5-16 and 4901:1-5-20 in that the Service Repair Guarantee credit applies if the repair is not accomplished during the first 24 hours after the repair request is received by Sprint. After the first 24 hours, the MTSS rules will apply.

Subscription to this promotion is available through December 31, 2005, unless it is sooner changed or canceled by Sprint.
