SECTION 3 - DESCRIPTION OF SWITCHED SERVICES

3.7 Custom Business Services (continued)

3.7.48 AT&T Business Unlimited Calling Plans (formerly Business Unlimited Long Distance Plans) (continued)

(K) Certain restrictions apply. AT&T Business Unlimited Calling Plans may not be used in conjunction with the following: auto dialers, long distance Internet access, long distance Intranet access, call center applications including but not limited to autodialers, PBX trunks, ground start line or trunks, ISDN services, foreign exchange services, public telephone services, public access smart-pay phones, analog to digital conversion digital PBX services, WATS services, PBX/PABX/EABX services, non-square electronic key telephone systems, hybrid key telephone systems, predictive calling/dialing systems, automatic outbound dialing systems, any type of automatic call distribution system, or the functional equivalent of any such system listed above. If the Company determines that the Customer is in violation of above listed restrictions, the Customer shall forfeit eligibility for rates under this plan and will be moved to AT&T Business Calling unless an alternative plan is selected by the Customer.

(L) Customers subscribing to AT&T Business Unlimited Calling Plans are eligible for the Call Detail Suppression optional feature. Call Detail Suppression feature provides a summary of all zero-rated calls included in this Business Optional Calling Plan, displaying 'total minutes' and 'total number of calls' in lieu of itemizing each call in the "Call Charges" section of the bill.

The Call Detail Suppression optional feature is available at no additional charge. Customers who select this optional feature may request the itemized call detail of the Customer's zero-rated calls for up to twenty-four (24) previous months' bills at no charge. Activation and deactivation of the feature will begin on the Customer's next billing cycle. Customers may add or remove the Call Detail Suppression optional feature from the AT&T Business Unlimited Calling Plan at without charge.

- .1 For outbound Services provided via a Switched Access arrangement, Business Customers may subscribe to any of the Company's outbound Service offerings for the provision of (1) intrastate InterLATA and intrastate IntraLATA calling; (2) intrastate InterLATA calling only and select another company for the provision of the Customer's intrastate IntraLATA calling; or (3) intrastate IntraLATA calling only and select another company for the provision of the Customer's intrastate InterLATA calling.
- .2 For TFS, Customers may subscribe to TFS with or without the ability to receive intrastate IntraLATA Service from the Company.
- .3 If the Customer wishes to restrict IntraLATA calling for outbound Service provided via DVA arrangements, it is the Customer's responsibility to route those calls via other access facilities not associated with AT&T High Volume Calling III.

<sup>1</sup> Effective November 12, 2007, the dedicated service offering associated with High Volume Calling will no longer be available to new Customers. Existing term plan Customers may add, move, remove or change lines and/or locations for the duration of their current term plan agreement. Adds, moves and changes for this Service are no longer available to existing Customers upon expiration of the Customer's Term Plan Agreement or Customers currently on a month to month basis.

(E) Rating TFS and Outbound Calls and Calls Billed To The Calling Card -  
Option 3

.1 Usage Rates

The Customer's usage rate for each call is based on (1) whether the call is outbound or TFS; (2) type of originating access (Switched Access or DVA) for outbound calls; (3) type of terminating access (Switched Access or DVA) for TFS calls; (4) the Customer's MAC; and (5) the length of the Customer's term plan (1 year, 2 years, or 3 years). An additional usage charge applies for TFS calls if the Customer has subscribed to CMR service. For fully automated, operator assisted or operator dialed calls billed to the Calling Card - Option 3, the usage rate is the same as the usage rates for 1+ outbound calls rated under this Service offering.

<sup>1</sup> Effective November 12, 2007, the dedicated service offering associated with High Volume Calling will no longer be available to new Customers. Existing term plan Customers may add, move, remove or change lines and/or locations for the duration of their current term plan agreement.
