Dear Customer:

Effective February 16, 2008 the prices, service descriptions, and the terms and conditions for certain telecommunication services that you are provided by ILD Telecommunications, Inc. will no longer be on file at the Public Utilities Commission of Ohio (PUCO). This change is applicable to One Plus Services only.

This modification does not result in a change in the prices, terms, or conditions of those services to which you currently subscribe. ILD Telecommunications must still provide a customer notice of at least fifteen (15) days in advance of rate increases, changes in terms and conditions, and discontinuance of existing services. Additionally, this information is available by contacting us at 1-800-226-2606.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call ILD Telecommunications, Inc. at 1-800-226-2606.

Respectfully,

ILD Telecommunications
