# BEFORE THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of United Telephone Company of Ohio d/b/a Embarq for the Approval of a Negotiated Agreement with Access Point, Inc. Under Section 252 of the Telecommunications Act of 1996	) ) Case No. 08-515-TP-NAG )
01 1990	)

## APPLICATION FOR APPROVAL OF A NEGOTIATED AGREEMENT UNDER THE TELECOMMUNICATIONS ACT OF 1996

United Telephone Company of Ohio d/b/a Embarq applies to the Commission for review and approval of the attached Interconnection and Resale Agreement that is dated March 28, 2008 ("the Agreement") between United Telephone Company of Ohio d/b/a Embarq ("Embarq") and Access Point, Inc. ("CLEC"), pursuant to the provisions of Section 252(e) of the Telecommunications Act of 1996, Pub. L. 104-104, 110 Stat. 56 (1996) (codified at 47 U.S.C. 151 et seq.) ("the Act").

The Agreement, which establishes the rates, terms and conditions for interconnection and resale, was arrived at through negotiations between Embarq and CLEC as contemplated by Section 252(a) of the Act.

The Agreement is filed pursuant to the procedures set forth in Section 252(e) of the Act. Under Sections 252(e) (1) and (2), the Commission must approve the Agreement unless the Agreement or a portion thereof "...discriminates against a telecommunications carrier not a party to the agreement" or "...implementation of such agreement or portion is not consistent with the public interest, convenience and necessity."

The attached Agreement does not discriminate against any telecommunications carrier that is not a party to the Agreement. Embarq will make the Agreement available to any other carrier operating in Embarq service territory. However, the Agreement does not preclude different arrangements with other carriers. In addition, this Agreement does not impact any other company's right to negotiate or arbitrate under the Act.

The attached Agreement is consistent with the public interest, convenience and necessity because it allows for interconnection and resale by the CLEC. The Agreement represents the end product of good faith negotiations between Embarq and CLEC. This is exactly the type of private negotiation and agreement envisioned by the Congress when it crafted the Act. Therefore, the implementation of the Agreement will be consistent with the public interest, convenience and necessity.

Embarq requests that the Commission approve the Agreement.

Respectfully submitted,

Joseph R. Stewart (Ohio Reg. No. 0028763)
