C. REGULATIONS AND CONDITIONS (Continued)

3. Centrex is offered subject to the availability of outside plant and/or Central Office facilities. Individual feature availability may differ by exchange.
4. One directory listing is provided without charge for each Centrex line.
5. The customer may choose to pay for the service on a month-to-month basis or under a service contract plan. A month-to-month customer may, at any time, convert to a service contract plan by paying the applicable service period plan rate currently in effect.
6. The monthly rate for customers choosing the service period plan is guaranteed against telephone company initiated changes during the selected service contract period.
7. **Subsequent line additions/deletions to the original service contract period are stipulated as follows:**
 - a. Subsequent additions will be rated under a new contract or added to an existing contract, based upon the remaining period of the initial contract. If the line addition causes the customer's total Centrex line count at the primary customer location to exceed the threshold of the line count previously contracted, all lines will be billed at the rate for the larger line count.
 - b. Subsequent line deletions, resulting in reductions equal to or exceeding 30% of the initial quantity of lines under contract, will be considered a termination liability and treated as specified in paragraph C8 below. 8. Termination Liabilities shall be treated as follows:

- a. If the service is canceled by the customer after installation of the service, but prior to the completion of the service period, the customer shall be obligated to pay a termination liability charge. The charge is calculated by multiplying the monthly rate by the remaining months in the contract period times fifty percent.

Commission approval of the termination liability language is not intended to indicate that the Commission has sanctioned any particular legal result regarding termination liability and that should a dispute arise over this issue, the parties may pursue whatever legal remedies they deem appropriate.

- b. A customer who reduces the quantity of Centrex lines under contract has the following options for the duration of the contract period:

1. Continue to pay an amount equal to the monthly rate for the number of Centrex station lines that are disconnected under contract, or
2. Pay termination charges as described in a. above on the number of Centrex station lines disconnected.

9. All exchange lines in a Centrex Group must have the same billing arrangement, either flat-rate or measured service (where offered).

10. Intercom calls between lines in a Centrex Group are not subject to local measured service.

Customers have certain rights and responsibilities under the minimum Telephone Service Standards (Ohio Adm. Code 4901:1-5). These safeguards can be found in the appendix to Ohio Adm. Code 4901:1-5-03, which is entitled "Telephone Customer Rights and Responsibilities". These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnection and reconnection of services.

For the purposes of establishing local exchange service, rates the service territory of Vanlue Telephone Company is divided into two areas: the Base Rate Area and Zone 1. (See map at Section 1, Second Revised Sheet No. 4).

The Base Rate Area consists of those areas formerly delineated as the Base Rate Area and Zones 1, 2, and 3. As of August 1, 1988, the Base Rate Area is an area encompassed by a circle having a radius of approximately three and one-half (3 ½) miles, the center of which is the building used to house the switch equipment owned by the Vanlue Telephone Company.

Any location not in the area described above shall be considered to be in Zone 1, and shall pay an additional charge.

The following identified service rates entitle subscribers of Vanlue Telephone Company Service to call, without additional charge, subscribers of the New Riegel and Findlay Exchanges of the Ohio Bell Telephone Company, Arcadia Exchange of the Arcadia Telephone Company, Mt. Blanchard and Wharton Exchanges of the General Telephone Company of Ohio, in addition to the other subscribers of the Value Exchange.
