ENTRY

The attorney examiner finds:

- (1) Section 119.032, Revised Code, requires all state agencies, every five years, to conduct a review of each of its rules and to determine whether to continue its rules without change, amend its rules or rescind its rules. The current review date for the rules contained in Chapter 4901:1-14, Ohio Administrative Code (O.A.C.), is November 30, 2008. In general, these rules address the uniform purchased gas adjustment clause.
- (2) On March 12, 2008, the Commission issued an entry proposing no changes to the rules contained in Chapter 4901:1-14, O.A.C., and calling for comments on those rules to be filed by April 21, 2008.
- (3) By April 21, 2008, the Commission had received one set of comments, filed by the office of the Ohio Consumers' Counsel (OCC). Those comments include recommendations for various substantive and nonsubstantive changes. In light of those recommendations and in order to allow any interested persons or entities to respond, the attorney examiner finds that it is appropriate to allow for the filing of reply comments.
- (4) Therefore, those persons or entities interested in replying to OCC's comments should file their reply comments, in writing, with the Commission's docketing division by May 16, 2008.

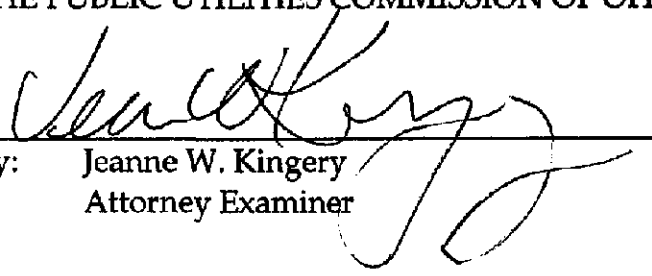

It is therefore,

ORDERED, That any interested person or entity wishing to file reply comments with the Commission do so no later than May 16, 2008. It is, further,

This is to certify that the images appearing are an
