AT&T OHIO'S MOTION FOR EXTENSION OF TIME AND
REQUEST FOR EXPEDITED RULING

AT&T Ohio¹, by its attorney and pursuant to Sections 4901-1-12(C) and 4901-1-13(A) of the Commission's rules, moves for a five-day extension of time for the filing of its answer or other responsive pleading in this case. The Complainant and AT&T Ohio have verbally agreed to a settlement in principle in this case. The paperwork to accomplish this settlement has been exchanged, but has not been received in time for filing today, which is the due date for the Company's answer. A short extension of time is therefore appropriate in order to allow time for the receipt and filing of a report on the settlement. AT&T Ohio requests an expedited ruling on this motion and notes that, under Section 4901-1-12(C) of the Commission's rules, an immediate ruling on this request may be issued without the filing of memoranda. AT&T Ohio submits that these circumstances constitute good cause for the requested extension of time.

¹ Complainant named "AT&T" as one of the Respondents. The Ohio Bell Telephone Company is a public utility in Ohio. That entity uses the name AT&T Ohio, which is used in this motion.

Respectfully submitted,

AT&T Ohio
