Subject: Oregon, Wood County, OH – Replace FLS&G & GCP4000– CR 10 (East Broadway Rd.);  
DOT 509 368N; Milepost QTE-7.55; OH0663

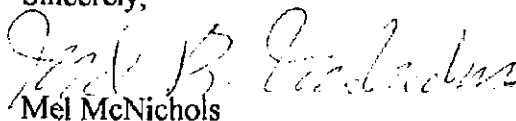

Adjacent Crossing: Replace FLS&G & GCP4000 - Latcha Rd.; DOT 509 366A; Milepost QTE-7.56

Dear Mr. Darfus:

This will acknowledge receipt of your letter dated February 29, 2008 regarding authorization to proceed with revised preliminary engineering of the above referenced project. The purpose of the revision is to add flashing lights and gates to the aforementioned adjacent crossing to include one large island circuit covering both the Latcha Road crossing and CR 10, East Broadway Road.

However, due to the circuitry to use loop technology to activate the warning devices, a separate control house at Latcha Road which will be interconnected with the proposed East Broadway relay house.

Sincerely,

  
Mel McNichols
